

TOKSAVE

Dear Parents/Caregivers,

Today I have travelled out to attend the QLD Department of Education and Training Principal's Conference, sponsored by Education QLD International. This year's conference theme is *"Connecting Globally: Creating Educational Opportunities"*. During the Conference awards will be given for Excellence in Delivering the QLD Curriculum. LIPS has put in a submission for the Awards Category *"Innovation by a School in Supporting the Student Experience."* In this submission, we focused on the school's celebration of PNG's Independence.

Mrs. Jenny Thomas will be Acting Principal until my return next week.

Student Led Conferences

Many thanks to all the parents who made themselves available to attend last night's Student Led Conferences. It was great to see so many parents enthusiastic to know more about their child's learning. It is also an excellent experience for the children to have the opportunity to articulate what they have been doing in school, with their parents.

School Council

There will be a School Council meeting next week Thursday at 7pm in the school.

School Pick Up

Please note, with the exception of afternoon sport, children are to be collected from school between 2.45pm and 3.00pm. Recently many children are being collected very late. This is an issue as there is no supervision provided for children in the school after 3pm. At this time staff are busy in meetings and preparing lessons. Letters will be sent home at the end of next week to those families who are consistently late in collecting children.
