

TOKSAVE

Dear Parents/Caregivers,

On Monday and Tuesday I was privileged to attend the QLD Department of Education and Training (International) Conference in Brisbane. It was the first time that Education Queensland Off-Shore principals have been invited to attend. QLD recognises eight Off-Shore schools – two in PNG, one in Nauru and UAE, with the remaining four in China. LIPS was praised at the conference as one of the longest affiliated schools, with our high standard of teaching and learning being acknowledged.

School Pick Up

Please note, with the exception of afternoon sport and homework club, children are to be collected from school between **2.45pm and 3.00pm**. Recently many children are being collected very late. This is an issue as there is no supervision provided for children in the school after 3pm. At this time staff are busy in meetings and preparing lessons.

LIPS 20th Anniversary

This year sees LIPS mark 20 years since its establishment. The School Council would like to mark the occasion, possibly during the School's Independence Day celebrations in September. Anyone with names and contacts of ex-students and staff can give them to Rose in the office.

Please see Rose in the front office if you need to make your term two payment.
