

TOKSAVE

Dear Parents/Caregivers,

Next week Wednesday will see the school hold its annual Athletics Carnivals. The program and details regarding the carnival are attached to this Tok Save. Please note that students will finish school between 11.30am and 12.00pm on this day and return at 3.45pm ready for the twilight program that begins at 4.00pm. From 5.30pm, after they have finished their races, LIPS students and their parents are free to stay for a BBQ dinner provided by the school.

Due to safety reasons all children must wear shoes when competing. We will make our best effort to ensure there are no sharp objects on the oval; however, this cannot be guaranteed and therefore the safest option is for all children to be wearing suitable shoes.

We look forward to all families coming to support the Kumuls or the Muruks on this evening!!

LIPS 20th Anniversary

This year sees LIPS mark 20 years since its establishment. The School Council would like to mark the occasion during the School's Independence Day celebrations in September. Anyone with names and contacts of ex-students and staff can give them to Rose in the office.

Long Run Preparation

The running group on Tuesdays and Thursdays have been enjoying their sessions with Caroline and Bron. They have built up their long distance running stamina and are learning how to pace themselves during a race. Caroline has led the kids through some interval training and has even been building their strength – some muscles were burning with the push-ups on Tuesday this week! Luckily there are still smiles all round as you can see in this happy snap of their Tuesday session.

Well done to the kids who keep coming to the sessions. A big thank you to Caroline and Bron for giving up their time to help the students to be ready and confident for the Long Run at next Wednesday's Athletics Carnival.

Regards,

Greg Neville
