

# TOKSAVE

Dear Parents / Guardians,

Congratulations to the members of our School Council for Term 4 who were inducted at assembly last Friday. Being part of the Student Council is an excellent way for children to learn leadership skills. Through fundraising and other activities it also helps children become better citizens. Thanks to Mrs. Watkins who has done great work with the Student Council during the year.

In Week 5 of this term education officers from **True Relationships and Reproductive Health** (formerly Family Planning QLD) will be visiting the school. They will be running sessions on Tuesday 31/10 and Wednesday 1/11 for both students and parents. Attached to this Toksave is a brochure outlining their primary school program. More information on session content can be found at:

<http://www.true.org.au/Education/allschool>

A letter will be sent home in coming weeks outlining in detail the program for their visit. If you would like more information on the upcoming visit, please do not hesitate to contact the principal.
