Engineering Is Fun

The Institute of Engineers, PNG and other sponsors are supporting an "Engineering is Fun" weekend on 13th and 14th October for girls from Grade 4 – Grade 12. The aim of the weekend is to expose girls to the potential of careers in Science and Engineering. We are seeking volunteers to assist with organising the event and helping out over the weekend. If you are interested, please contact Danni Gunnell on Danielle.Gunnell@Newcrest.com.au or 7910 0590.

We would also like to start collecting names and ages of interested attendees. If you know any girls in Grade 4 – Grade 12 who would like to participate, please email or call Danni. The final program and requirements will be released in the coming weeks.

Congratulations to our Year 5/6 Class on their very informative assembly – well done!

Book Week 2018

Thanks to Mr Neale for organising the Book Week parade last week and the lunchtime activities in the Library. The students had lots of fun dressing up and sharing their favourite books. See the photos on the next page!

Student Council activities

Miss Thomas and the Student Council have been very busy in the lead-up to tomorrow's Trash and Treasure and Bake Sale that will be held after this week's Assembly. Please remember to bring small notes to assist with change and a plastic bag for your purchases. All baking donations gratefully accepted at the 1/2 classroom, either this afternoon or tomorrow morning. This fundraiser is to raise funds to purchase resources for local Lihirian schools.
