

TOKSAVE

Dear Parents / Caregivers,

Next week on Thursday and Friday, teachers will be available between 3.00pm and 6.00pm for parent / teacher interviews. These offer a valuable opportunity for parents to discuss their child's schooling with the classroom teacher. It is also a chance to discuss the contents of your child's assessment portfolio, which will be sent home to families next week Wednesday. Please call into the office to register a suitable time.

LIPS will celebrate PNG's 43rd Independence Day on this Friday 7th September in LIPS school grounds from 5pm.

The students will be taking part in traditional dance items along with visiting dance groups. Please see attached program for the evening.

Please lock this date into your family calendars.

If you are taking photos of the event - the school would like a copy.

Please bring photos on a USB to Rose in the office.

Engineering Is Fun

The Institute of Engineers, PNG and other sponsors are supporting an “Engineering is Fun” weekend on 13th and 14th October for girls from Grade 4 – Grade 12. The aim of the weekend is to expose girls to the potential of careers in Science and Engineering. We are seeking volunteers to assist with organising the event and helping out over the weekend. If you are interested, please contact Danni Gunnell on Danielle.Gunnell@Newcrest.com.au or 7910 0590.

We would also like to start collecting names and ages of interested attendees. If you know any girls in Grade 4 – Grade 12 who would like to participate, please email or call Danni. The final program and requirements will be released in the coming weeks.

Congratulations to our Year 7/8 Class on their production of LIPS NEWS – well done!

VIP CHAMPIONS!
