P&W News

LIPS P&W presidents past (Ben Huxtable) and present (Nicole Wilson) had the honour of presenting a learning package of computers to Lihir Secondary School students and teachers on Wednesday morning. Deputy Principal Mark Malaka was also present to accept the donation of computers, monitors, a printer and associated software. The donation of new computer stock was made possible by the fundraising efforts of the LIPS P&W in 2018 and Newcrest donated the monitors they were no longer using.

These computers are a much needed part of the Secondary School's resources and were gratefully received. Many thanks to everyone in the P&W in 2018 and to everyone who participated in the fundraising events of the P&W last year. Your kina has gone to good use. We look forward to reinvesting generously in LIPS and other local schools again this year.

Nicole on behalf of the P&W.
