

# TOKSAVE

Dear Parents/Caregivers,

What a busy term it has been! It is hard to believe that it is the end of semester one already! Besides the learning in classrooms, this term the LIPS community have enjoyed a Netball Carnival, the P&W Family Fun Day and Trash and Treasure plus the numerous extra-curricular activities students have been involved in – Everything but Sport Club, Media, Music, Religious Education, Homework Club and the Student Council disco. I would like to thank all the teachers, parents and volunteers who have given their time to support and enrich learning at LIPS. If you have an activity you would like to co-ordinate next term, please do not hesitate to contact me.

Reports and student portfolios will be sent home today. **Students resume for Term 3 on Monday, the 15<sup>th</sup> July.**

## Visiting Swimming Coach

Swim Coach Wendy Collins, with the assistance of her husband Brian, has been taking all classes through a swimming program this week. There has been excellent feedback from parents regarding Wendy's expertise and the progress of the students in just a few days, with students expressing how much they have enjoyed the lessons. Thanks to Mr McKeiver for coordinating the program.
