

TOKSAVE

Dear Parents/Caregivers,

As part of LIPS commitment to providing the very best educational opportunities, a number of resources have been purchased by the school, with the support of the P&W. As part of our focus on STEM education, the school now has 15 Samsung Tablets to be used across the school. These tablets are used with the robotic Sphero Balls that were purchased by the P&W. These have been utilized in Ms Langusch's STEM Club, along with assisting in designing for the school's 3D printer. Thanks also goes to the P&W for their donation of a new telescope.

Book Week 2019

*The 100th anniversary of Children's Book Week is being celebrated August 5th - 9th at LIPS! This year's theme is "Read Now, Read Forever", and looks to the past, present, and most importantly, the future of children's books. After assembly tomorrow Friday 9th, there will be a book parade for Kindergarten to Year 4 students. Children are encouraged to dress up as a character from their favourite book and join in with all the other literature lovers. Children can use a book from home or from the library if they speak to Mr Neale. The only catch is costumes and books must be organised **before Friday** and it must be a book they have read. So, come and join the fun!*

Saturday Art Workshop

Visual Artist, Jeffry Feeger, has kindly agreed to run a student workshop for nominated students from Years 3 – 8 on the Saturday morning of the Golden Orchid Ball (17th August), prior to a live artwork creation that evening at the ball. The workshop will be held in the Year 5/6 room from 9.00am and finish at approximately 11.00am. It will be a great experience for these students to watch and learn from a professional artist. A note will be sent home with selected students next week.

Congratulations to the Year 1/2 class on your Assembly item!
