LIHIR INTERNATIONAL PRIMARY SCHOOL

**Lihir International Primary School Swimming Carnival
Wednesday 18th September, 2019
First Race 4pm – students please arrive by 3:45pm**

Dear Parents

Our school Swimming Carnival is Wednesday 18th September, beginning at 4pm.

For students to be well rested for this event, school will finish at 12:45 pm and students are required to report back to the pool at 3:45pm.

Children have chosen the events they wish to participate in, and a full program of events will be available next week.

You will notice the program includes some events that have more than one age group or boys and girls swimming in the same race – judges are aware of this and points will be awarded for each separate age group and boys and girls respectively

During the Swimming Carnival, children will need to be in the marshalling area and ready for their races. If a child is not in the marshalling area and ready to move to their race, they will miss that race.

The marshalling area is on the ocean side of the pool. This will be a busy area as students prepare for their races – we ask parents to watch and support from the oval side of the pool.

Prep children will be the responsibility of their parents before and after their swimming event and we ask that Prep children are not in the marshalling area during the Swimming Carnival.

Presentation of Age Champions, Good Sports Awards and the Samuel Karabus Memorial Shield to the winning team will occur at Thursday morning's assembly.

Following the Swimming Carnival, a sausage sizzle will be provided for all students, families and school staff so please join us for this at the conclusion of the carnival.

If your child is not going to be here for the swimming carnival can you please let Mr McKeiver know, as soon as possible, to help with organisation of teams and events.

If you have any questions regarding Wednesday evening's LIPS Swimming Carnival please contact Mr McKeiver at school.

Kind regards,

Simon McKeiver
