

# TOKSAVE

Dear Parents / Guardians,

## **Preparations for Year 9 at Lihir International School (LIS)**

Preparations are well underway for our first year 9 in-take in 2020. Permissions have been given to proceed to year 9 in 2020 from the New Ireland Provincial Education Board (PEB), PNG National Education Board (NEB) and Education Queensland International (EQI). LIS will offer a blended curriculum based on the Australian curriculum and elements of the PNG curriculum, to ensure students are well prepared to sit the year 10 PNG National Exams. Approval has been given for construction of a new classroom in 2020, with text books, science equipment and other resources already on their way to LIS. There will also be a new uniform for high school students (years 7-9) in 2020. The recruitment process is underway for a new teacher to assist with year 9. This is an exciting new chapter for LIS and we look forward to fulfilling the vision of the Business Leadership team (BLT) in becoming a school of excellence for Lihir and the broader province.

## **Year 8**

This week, Work Ready Institute teacher, Mr Takaundo, is representing Lihir International School (LIS) at the Year 8 National Exams Marking in Kavieng. We look forward to hearing the achievements of our second year 8 class.

## **Rugby League Clinics and Gala Day**

On Friday the 15<sup>th</sup> November, we are having a guest coach come to the school to hold Rugby League Clinics for students from Prep to Year 8. Permission notes will be sent home with students to allow students to participate in these clinics. Following this, students up to the age of 15 from Years 5 – 8 will have the opportunity to participate in a Gala Day with other schools from around the island. The Gala Day will be held on Saturday, the 16<sup>th</sup> November. Please see a brief Rugby League biography of our guest coach attached to this Toksave.

## CONGRATULATIONS TO OUR TERM 4 WEEK 3 PRINCIPAL'S AWARD RECIPIENTS!

## Congratulations to our year 1/2 class for their assembly item!

### Curriculum - READING EGGS reminder!

<https://readingeggs.com/>

All students from Prep to Year 5 should have their log on details to the Reading Eggs program which can be accessed from home. This site has a range of interesting and engaging reading activities, as well as an online library for older readers. Please contact your child's class teacher if you need your child's log-on details. This is a great way to maintain reading over the holiday break!

## BENEFITS OF READING to your Child

Parents play an integral part in their children's education and helping them reach their full potential. Here are some benefits of reading to your children:

### Helps them sleep.

Getting a good night's rest is important for developing children, and reading to them while they are in bed can calm their minds and bodies.

### Improves communication skills.

When you spend time reading to children, they will be much more likely to express themselves and relate to others in a healthy way.

### Creates new bonds.

With a majority of our days spent looking at computer, TV and phone screens, it's important to take a few moments to spend quality time with your children. Reading to your children also can build an emotional connection. It's a win-win.

### Teaches them the basics.

Teaching children to read is like building a house — you need to have a solid foundation that you can build upon later in life.

### Improves logical thinking skills.

Reading to children helps their ability to grasp abstract concepts, apply logic, recognize cause and effect, and use good judgment.
